Full Committee Meeting

September 25, 2024

Welcome & Introductions

Please share your name and organization in the chat, and answer: *What is your favorite fall activity or treat?*

Today's Topics

- Welcome & Introductions
- Model Program of Study Guides
- Transitional Instruction
- Policy & Legislative Updates
- Temperature Check on Implementation of HB 3296
- Elevating Policy and Practice
- Wrap Up & Announcements

Updated Model Programs of Study Guides

College and Career Pathway Endorsements Framework

INDIVIDUAL PLAN

Each student completing an endorsement must have an individualized plan, which includes college planning linked to early understanding of career goals, financial aid, resume, and personal statement.

PROFESSIONAL LEARNING

Awareness, exploration, and preparation activities that provide opportunities for students to interact with adults in their workplace and gain essential employability and technical competencies.

9th	10th	11th	12th
At least 2 career exploration activities or 1 intensive experience		60 cumulative hours of paid or for credit, supervised career development experience(s) with a professional skills assessment r	
At least 2 team-based challenges with adult mentoring			

CAREER-FOCUSED INSTRUCTIONAL SEQUENCE

2 years of secondary coursework or equivalent that include essential employability and technical competencies, at least 6 hours of early college credit, and articulation to a postsecondary credential with labor market value.

9th	10th	11th	12th
Orientation / Introduction Courses			
		Skill Development Courses	
		Capstone / Advanced Courses	

ACADEMIC READINESS

Ready for non-remedial coursework in reading and math by high school graduation through criteria defined by the school district and local community college.

Endorsements Statewide

Since 2017, EdSystems has sought out districts willing to implement Illinois' innovative College and Career Pathway Endorsements system. EdSystems worked with ISBE to create the district pathway approval and rulemaking processes.

2,422 students in the Class of 2024 earned endorsements. (Class of 2024 results coming soon.)

In 2023–24, **280+ school districts** sought to implement endorsements.

- Urban, suburban, and rural
- Traditional, CBE, CTE, and pathway districts

[>> Blog post highlighting endorsement scaling](#)

HB 3296/ Public Act 102-0917

CCPE Implementation
Timeline

By **July 1, 2025**, districts have to implement College and Career Pathway Endorsements, offering at least:

- 1 endorsement for the Class of '27
- 2 endorsements for the Class of '29
- 3 endorsements for the Class of '31 (if district had >350 students in 9-12 in AY22-23)

Or, districts must formally opt out.

Find updated CCPE information in [ISBE's rules \(finalized May 2024\)](#)

	Computer Network Support Specialists	Medium	\$33.95	3.4%	999	
	Network and Computer Systems Administrators	High	\$42.72	3.1%	804	
	Information Security Analysts	High	\$54.18	25.3%	428	Bachelor's Degree

* Living wage potential is based on MFT's Living Calculator (livingwage.mit.edu) for Illinois in 2024. Occupations with median salaries higher than the living wage for 1 adult + 1 child (\$39.63/hour) are considered as having a "high" living wage potential. Occupations with median salaries only higher than the living wage of 1 adult, no children (\$22.86/hour) are considered as having a "medium" living wage potential, and occupations with median salaries below the living wage of 1 adult, no children (less than \$22.86/hour) are considered as having a "low" living wage potential.

Model Programs of Study Utilization Report

Purpose and Process

- Understand the statewide utilization of the Model Programs of Study Guides
- In 2023–24, reviewed guides for AFNR, ACE, A&C, EDU, FBS, HST, IT METT
- Reviewed Perkins V instructional submissions via ICCB
- Interviewed community colleges
- Summarized data & synthesized recommendations

Results

- Regional mapping of college and career pathways
 - Lake County
- Reducing random acts of dual credit
- Faculty training program for Model Programs of Study

Breakouts

1

Secondary

2

Postsecondary

3

Policy/Advocacy

Breakouts

1 Secondary

1. How are these programs structured to ensure students' transition from secondary to post-secondary education?
2. How can districts use this model to enhance articulation agreements, dual-credit opportunities, or early college programs?
3. What resources or partnerships are necessary to ensure successful adoption and sustainability of these programs in the district?

Breakouts

2 Postsecondary

1. How are these programs structured to ensure students' transition from secondary to postsecondary education?
2. How can post-secondary institutions use this model to enhance articulation agreements, dual-credit opportunities, or early college programs?
3. What steps should post-secondary institutions take to better align their programs with the Illinois Model Programs of Study?

Breakouts

3 Policy/Advocacy

1. How do you see the Illinois Model Programs of Study guides aligning with current policy initiatives focused on career and college readiness?
2. How can this resource be leveraged to advocate for better alignment between secondary education and workforce needs?

Transitional Instruction

Announcing Virtual QL/Stats

A transitional course for high school seniors to prepare them for a general education college-level math course. The course serves as a prerequisite for General Education Statistics, General Education Mathematics, Quantitative Literacy, Elementary Mathematical Modeling, or a technical/occupational mathematics pathway.

Now approved for
statewide portability!

Course Pathway

High School Transitional Math 4:
Quantitative Literacy & Statistics

Prerequisites

For seniors who have met the high school math graduation requirement.

Course Materials

Graphing calculator. There is not a textbook for this course.

Course Length

2 semesters

Virtual Course Format

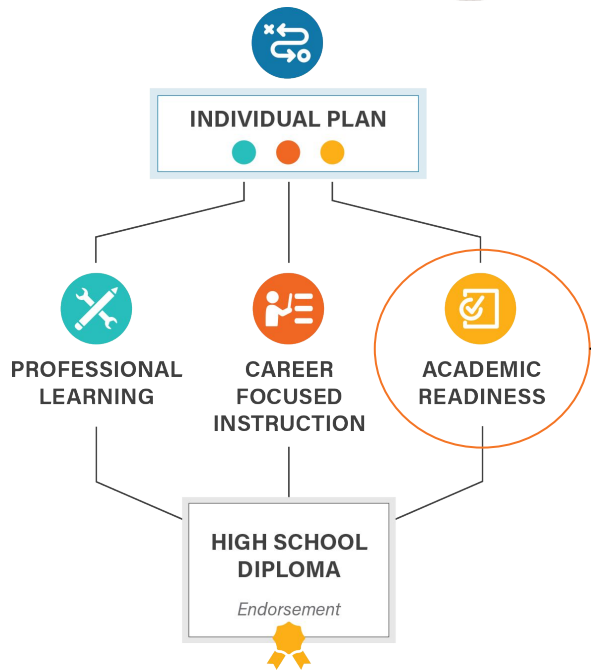

This course adapts the state model curriculum for the QL/Stats transitional math course to a virtual format.

- Primarily asynchronous with required synchronous scheduled group sessions and on-demand teacher support hours.
- Students must be available to participate in synchronous meetings with their peer group and teacher in order to meet the project and capstone requirements.
- Required meetings will be scheduled around participants' personal schedules and all possible accommodations will be made.

College and Career Pathway Endorsements Framework

ACADEMIC READINESS

Ready for non-remedial coursework in reading and math by high school graduation through criteria defined by the school district and local community college.

College Readiness Math and English

Academic Indicators	
ELA	MATH
ELA Advanced Placement (AP) Exam (Score of 3 or Higher)	Math AP Exam (Score of 3 or Higher)
ELA AP Course (Grade of A,B, or C)	Math AP Course (Grade of A, B, or C)
Dual Credit English Course (Grade of A, B, or C)	DUAL Credit Math Course (Grade of A, B, or C)
International Baccalaureate (IB) ELA Course (Grade of A, B, or C)	IB Math Course (Grade of A, B, or C)
IB Exam (4 or Higher)	IB Exam (4 or Higher)
	Algebra II (Score of A, B, or C)
Transitional English Completion	Transitional Math Completion
Minimum ACT Subject Scores of English: 18 and Reading: 22	Minimum ACT Subject Score of Math: 22 and Math Course in Senior Year
Minimum SAT Score of Evidence-Based Reading and Writing: 540	Minimum SAT Subject Score of Math: 540 and Math Course in Senior Year

Policy & Legislative Updates

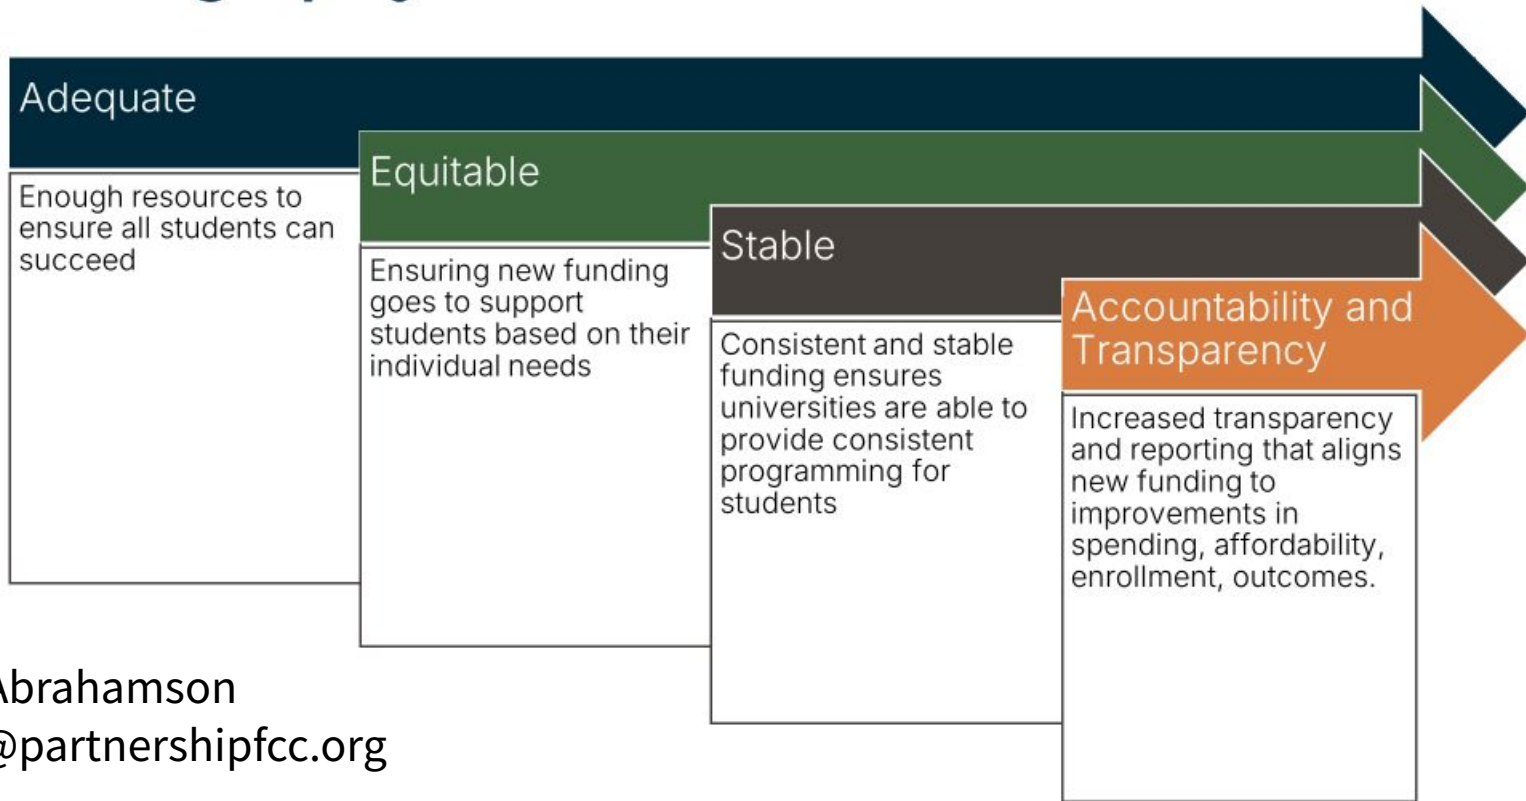

Veto Session

What we're looking out for...

- The main event: Higher ed funding! (SB3965)
- Possible movement on dual credit focused on professional development plans
 - This is a follow-up from HB5020 (which didn't pass in spring)

Anything else anyone is hearing?

The Commission on Equitable University Funding has given Illinois a blueprint for reimagining higher education funding by centering equity and student needs

Mike Abrahamson
mike@partnershipfcc.org

ICCB: Finalized Multiple Measures Placement Rules

- 23 Ill. Adm. Code 1501 (Section 1501.314)
- Colleges will *individually* accept any of the defined multiple measures for placement, which includes:
 - HS GPA
 - Transfer Credit
 - Transitional Courses
- Colleges must publicly post their placement policies so that they're accessible to both current and prospective students
- Colleges must report their dev ed reform plans by December 30 each year

HB 3296 & PWR Act Check In

Let's discuss!

- How is CCPE implementation going?
- What have been some of your biggest successes?
- Where have you encountered road blocks?
- Are there any resources you have found helpful as you are implementing?
- What information or support would you like to see?

Elevating Policy & Practice

Elevating Local Practice

- What promising local practices you would like to see the group learn more about?
- What practices have you seen in your community (or around the state) that are driving equitable college and career outcomes?
- What core challenges are regions grappling with?

Exploring Policy Opportunities

- What emerging issues should we explore policy solutions for?
- What innovative state or local policy should we learn more about?
- What policy barriers might we want to explore and address together?

Wrap Up & Announcements

**Did we miss
anything?**

**What do you
want to know
more about?**

**What
should we
explore?**
