# Agenda

1. Background
2. General Updates
3. 2025-2026 FAFSA Changes
4. Information and Resources

# Background

# FAFSA Simplification Act

Full implementation went into effect in the  
**2024-2025** award year

Reduced the number of questions a student and  
family will answer

The Direct Data Exchange (DDX) replaced the IRS  
Data Retrieval Tool (DRT)

The Student Aid Index (SAI) replaced the Expected  
Family Contribution (EFC)

The FAFSA Submission Summary replaced the  
Student Aid Report (SAR)

# FAFSA Changes

- Students are required to answer questions about race and ethnicity – these answers are not shared with the colleges
- Students and parents will access the FAFSA using their own FSA ID (studentaid.gov account)
- A parent wizard tool has been developed to help students and families determine which parent(s) will be reported on the FAFSA
- Students will be able to list up to 20 colleges online
  - List 10 colleges on the paper FAFSA

# General Updates

# Who is a contributor?

## Anyone who is required to provide:

- A signature on the FAFSA and
- Consent and approval to have their Federal Tax Information transferred directly from the IRS

## A contributor is:

- A student
- A student's spouse, if applicable
- A student's parent or parent's spouse

## A contributor is not:

- Non-adoptive grandparents, foster parents, legal guardians, aunts or uncles, and brothers or sisters, even if they helped provide for the student

# The Roles of Students & Parents

The student is the main contributor - Their answers on the FAFSA will determine if any additional contributors will be required

Each student **will invite a contributor(s)** to complete their section of the form

Students **will submit** the contributor's name, email, date of birth (DOB), and social security number (SSN) – this must match the FSA ID

If a contributor (e.g., parent) does not have an SSN, **they will be asked to provide their mailing address**

Dependent students **will not** see a submit button until the parent section is complete

# Everyone Needs an FSA ID!

- Each contributor (e.g., student and parent) will each need their own FSA ID to complete their sections
- If parents are married and file jointly, only one parent will need an FSA ID
- For parents who are married but file separately, or unmarried but parents are still living together: **both** parents will need an FSA ID
- For parent(s) who does not have an SSN, they also need an FSA ID
  - Follow these steps:  
<https://studentaid.gov/announcements-events/fafsa-support/contributor-social-security-number>

# EFC to SAI

## EFC will be changed to SAI

- “An index that reflects the evaluation of a student’s approximate financial resources” that can be contributed to their education rather than an amount the family is reasonably expected to contribute

## Can be a negative number and as low as \$-1500

- Individuals not required to file taxes, both dependent and independent students, will automatically receive a negative SAI of \$-1500

## The SAI:

- May contribute to a student’s Pell grant eligibility, but **it is not the sole factor**
- Will calculate eligibility for other FSA programs
- Will **no longer** be divided by the number enrolled in college

# Pell Grant Calculation

- A student's family size, financial information, and the federal poverty guidelines will be used
- Students are considered for a Pell Grant in this order:
  - Maximum Pell Grant
  - Calculated Pell (Max Pell minus SAI)
  - Minimum Pell Grant
- If a student does not receive a Pell Grant amount from the calculation, they will not be eligible for a Pell Grant

# How do students determine their financial need?

Cost of Attendance (COA)\*

- Student Aid Index (SAI)
  - Other Financial Assistance (OFA)
- 

= Financial Need

**\*Note:** The COA may not be exceeded when packaging a negative SAI. Schools must convert any negative SAIs to zero for awarding purposes.

# Parental Information

- Who is a parent for purposes of financial aid ***has not*** changed
  - Adoptive parents
  - Biological parents
  - Step-parents if married to a biological or adoptive parent
- If both parents (biological or adoptive) are unmarried but living together, report information for both parents
- For parents who are divorced or separated, **a student will report the parent who provides the most financial support within the last 12 months**
  - If the financial support is equal, then report the parent with greater income or assets

# Parent Wizard Tool

- Designed to help students determine which parent(s) to report on the FAFSA
- The tool will ask the student a series of questions to help them determine who to report
- Now accessible [here](#)

## Tell Us About Your Parents

On the FAFSA® form, your “Parent” is your legal (biological or adoptive) parent or stepparent who supports you financially.

Are your parents married to each other?

☒ Yes

☐ No

### You will need to provide information for your parents

Based on your answers in this section, you'll need to provide information about both of your parents on your FAFSA form. You can invite your parents to your form so they can complete their required sections.

Building the Future We Want

# Reporting Tax Information

- Through the DDX, **everyone** is required to provide consent for their tax information to be shared by the IRS with FSA
  - **Non-tax filers:** the IRS will report no tax return is on file
  - **Each parent must provide consent if:**
    - Filed married filing-separately
    - Unmarried but living together
- **If no consent is provided:**
  - A student's SAI will not be calculated
  - A student will be ineligible for federal financial aid

# Reporting Investment Information

## Investment questions will not be asked for:

1. Those who make less than \$60,000 a year
  - Parent(s) of dependent students
  - Independent students
2. Anyone in the household who has received means-tested federal benefit programs within the previous 24 months
3. A student with a negative SAI

## If required to report investments:

- The net worth of any business and/or family farm
  - Exclude the home in which the student/family live in
- Child support received for the most recent calendar year

# Professional Judgment Policies

- There are two categories of professional judgment
  - **Special Circumstances:** adjusting data elements in the Cost of Attendance or in the FAFSA that can impact the SAI calculation
  - **Unusual Circumstances:** adjusting a student's dependency status based on a unique situation
- Schools ***can no longer*** maintain a policy of denying all professional judgment requests
- Schools ***are required*** to have a list of adequate documentation that can be used for making the request

# What's the difference?

## Unusual Circumstances

- Victim of human trafficking
- Legally granted refugee or asylum status
- Parental abandonment or estrangement
- Student or parental incarceration

## Special Circumstances

- Loss of employment or financial assets
- Reduction in income
- Tuition expenses at an elementary or secondary school
- Unusual medical or dental expenses not covered by insurance

# Provisionally Independent Student

- Designation for students who believe they may qualify as an independent student based on an unusual circumstance
- These students will:
  - Be able to submit the FAFSA
  - Receive an estimate SAI and Pell Grant
- A school's financial aid office will make the final determination based on documentation submitted
- These students will not be required to answer to answer information about their parent(s)

# Determinations for Unaccompanied and Homeless Youth

- The list of people who can provide a determination has been expanded
- The following sources are:
  - Homeless District Liaison
  - Financial aid office (even one from a different school)
  - Director or designee of a:
    - Transitional or emergency shelter
    - Street outreach program
    - Homeless youth drop-in center
    - Program serving individuals experiencing homelessness
    - Program supported by federal TRIO or GEAR UP grant

# What can higher education institutions now do?

- Schools can accept documentation of independent student status from another financial aid administrator at a different institution
- Students who are deemed independent for financial aid purposes, can be considered independent for the subsequent award year(s) **only if** the student attended the same institution – the student no longer must submit documentation every year to meet the criteria

# 2025-2026 FAFSA Changes

**FAFSA® Form** July 1, 2025 – June 30, 2026  
Free Application for Federal Student Aid FederalStudentAid

Use this form to apply free for federal and state student grants, work-study, and loans. Or apply free online at [fafsa.gov](https://fafsa.gov).

**Apply by the Deadlines**  
For federal aid, submit your application as early as possible, but no earlier than October 1, 2024. We must receive your application no later than June 30, 2026. Your college must have your correct, complete information by your last day of enrollment in the 2025-26 school year.  
For state or college aid, the deadline may be as early as October 1, 2024, and you may need to complete additional forms. Check with your high school counselor or a financial aid administrator at your college. See the state deadlines on page 2. If you are applying close to a deadline, we recommend you submit your FAFSA form online at [fafsa.gov](https://fafsa.gov). It's the fastest and easiest way to apply for aid.

**Fill Out the FAFSA® Form**  
The FAFSA form has five sections: Student, Student Spouse, Parent, Parent Spouse or Partner, and Preparer. To determine who needs to provide their information, consult "Who must provide information on the FAFSA form?" on page 3.  
You may fill the answer fields electronically and then print the form, or print the form first and complete it by hand. If you complete the form by hand, use dark ink and write clearly, as shown below. A computer will process this form; therefore:  
• Fill in both circle and square answer fields completely.  
• For circle answer fields, choose only one response;  
for square answer fields, choose all that apply.  
• Print in BLOCK CAPITAL letters and skip a box between words;  
for multi-line responses, wrap any incomplete words onto next line.  
• Report dollar amounts such as \$12,356.41 without cents;  
if negative, completely fill the circle (C) before the answer box.  
Refer to the notes on pages 21-22 as instructed.  
For help in filling out the FAFSA form, go to [StudentAid.gov/fafsa-help](https://StudentAid.gov/fafsa-help) or call 1-800-4-FED-AID (1-800-433-3243). If you need assistance in another language, visit [StudentAid.gov/apply-for-aid/fafsa-filing-out/request-interpretor](https://StudentAid.gov/apply-for-aid/fafsa-filing-out/request-interpretor).

**Special Circumstances**  
If you or your family experienced significant changes to your financial situation (such as loss of employment or pay cuts), or other special circumstances (such as tuition expenses at an elementary or secondary school or high unreimbursed medical or dental expenses), complete and submit this form as instructed. Once you submit the form, discuss your special circumstances with the financial aid office at the college(s) you applied to or plan to attend.

**Mail Your FAFSA® Form**  
After you complete this application, make a copy of pages 7 through 20 for your records. Then mail the original of pages 7 through 20 to:  
Federal Student Aid Programs, P.O. Box 70208, London, KY 40742-0208  
Extra postage will be required. When mailing, include pages 7 through 20, even if some are blank. After your application is processed, you will receive a summary of your information in your FAFSA Submission Summary. If you provide an email address, your summary will be sent by email within three to five days. If you do not provide an email address, your summary will be mailed to you within three weeks. If you would like to check the status of your application, go to [StudentAid.gov](https://StudentAid.gov) or call 1-800-433-3243.

# What we know so far...

- The 2025-26 FAFSA form will remain mostly consistent with the 2024-25 form
- The gender question on the FAFSA has been modified; male or female are now the only options to this question
- Contributor Invites: Continue to expect data matching challenges; Department of Ed is working on a solution
- Users with ITIN (no SSN) must manually enter financial information
- FSA has announced they will no longer require parent contributors to verify their identities due to the inability to use the DDX

# Importing Tax Information

- This page imports contributors tax information into the FAFSA
  - Contributors should remain on this page to ensure accurate import.
- If no tax information is available, a message will display: “Data not received.”

# Attestation Form Updates

- The contributor should check the confirm and certify box and as of December 2024, FSA has announced that they are taking steps to enhance the process related to verifying identity

- ED has systems in place to collect, share, and store your data securely
- While current privacy laws and agreements protect the use of your data, new and changing federal policies may impact the privacy of the data you and your parents/contributors share on the FAFSA.
- **For example**, current policies at the Department of Education (ED) and Department of Homeland Security (DHS) require DHS to verify citizenship status of the applicant but not the parent or spouse/contributor. We don't have specific information suggesting that this would be changed in the future but we also cannot guarantee that it will never be changed.
