7. Resources
Background
Goal is to make applying for aid easier and more streamlined.

Full implementation goes into effect for the 2024-2025 award year.

Reduces the number of questions a student and family will answer.

The Student Aid Index (SAI) will replace the Expected Family Contribution (EFC).

Amends the Federal Pell Grant program.
FAFSA Changes

● Students are required to answer questions about race and ethnicity – these answers are not shared with the colleges
● Students and parents will access the FAFSA using their own FSA ID
● A parent wizard tool has been developed to help students and families determine which parent(s) will be reported on the FAFSA
● Household size will be referred to as family size
● Students will be able to list up to 20 colleges online
  ○ List 10 colleges on the paper FAFSA
The Student Aid Report (SAR) is now the FAFSA Submission Summary

The save key feature has been removed

The FAFSA will be available in the 11 most common languages through an interpreter

The IRS Data Retrieval Tool has been removed

FAFSA Submission Summary’s and Institutional Student Information Records will not be sent until late January
FSA IDs & The Roles of Contributors
### Who is a contributor?

<table>
<thead>
<tr>
<th>Anyone who is required to provide:</th>
<th>A contributor is:</th>
<th>A contributor is not:</th>
</tr>
</thead>
<tbody>
<tr>
<td>• A signature on the FAFSA and</td>
<td>• A student</td>
<td>• Non-adoptive grandparents, foster parents, legal guardians, aunts or uncles, and brothers or sisters, even if they helped provide for the student</td>
</tr>
<tr>
<td>• Consent and approval to have their Federal Tax Information transferred directly from the IRS</td>
<td>• A student’s spouse, if applicable</td>
<td></td>
</tr>
<tr>
<td></td>
<td>• A student’s parent or parent’s spouse</td>
<td></td>
</tr>
</tbody>
</table>
The Roles of Student & Parents

The student is the main contributor - Their answers on the FAFSA will determine if any additional contributors will be required.

Each student will invite a contributor(s) to complete their section of the form.

Students will submit the contributor’s name, email, date of birth (DOB), and social security number (SSN) – this must match the FSA ID.

If a contributor (e.g., parent) does not have an SSN, they will be asked to provide their mailing address.

Dependent students will not see a submit button until the parent section is complete.
Steps for Contributors

Step 1
• Contributor receives email saying they’ve been identified as a contributor

Step 2
• Contributor creates FSA ID, if they don’t already have one

Step 3
• Contributor logs in using their FSA ID

Step 4
• Contributor reviews information about completing their section of the FAFSA

Step 5
• Contributor provides the required information, provides consent + approval, and signs the student’s FAFSA

**Note:** Being a contributor (e.g., parent) does not indicate financial responsibility
Example of the Email Contributor Receives

- A contributor will see one of two emails:
  - If a contributor has an FSA ID, they will see the option to log in
  - If a contributor does not have an FSA ID, they will see the option to create one
Everyone Needs an FSA ID – Yes, Everyone!

- Each contributor (e.g., student and parent) will each need their own FSA ID to complete their sections
- If parents are married and file jointly, only one parent will need an FSA ID
- For parents who are married but file separately, or unmarried but parents are still living together: both parents will need an FSA ID
- For parent(s) who does not have an SSN, they also need an FSA ID
Everyone Needs an FSA ID – Yes, Everyone! (continued)

● An FSA ID needs to be created before the FAFSA is started if you want tax data to transfer over

● If students and parents create an FSA ID, the same day:
  ○ Will be asked to enter tax information manually
  ○ SAI will not be calculated
  ○ No Pell Grant estimate will be shown
  ○ FSA ID processing should take 1-3 days
Creating an FSA ID without an SSN

Warning: Your Account Will Be Limited Without SSN

If you create an account without an SSN, you'll be limited in what you can do. You should only continue creating an account without an SSN if one of the following statements is true for you:

- I am a parent or spouse of a student who is applying for aid, and I do not have an SSN.
- I am a citizen of the Freely Associated States and need to complete the FAFSA® form online.

Note: Any previously completed FAFSA forms won't be linked to your account. You will still be able to access information from 2023–24 FAFSA form if you use your identifiers on the FAFSA roles page.
Identity Verification Questions

- These questions must be answered to verify your FSA ID account
FSA ID Verification without SSN’s – Required Documents

Complete Attestation Form
- Will be available on Studentaid.gov

Proof of Identity (One of the following):
- Driver’s license
- State or City ID Card
- Passport

Utility Bill + One of the following forms of ID
- Municipal Card
- Community ID
- Consular ID Card
FSA ID Verification Without SSN’s – Process

● Contact Federal Student Aid Information Center (FSAIC) at 1-800-433-3243 (1-800-4 FED AID)

● A customer service representative will look up your account and initiate the identity verification process

● You will receive an email with a case number and instructions for providing the proper documentation for FSA to verify your identity

● Submit required documentation

● Within 1-3 days FSA will send an email confirmation that your identity has been verified
Student Aid Index (SAI)
EFC to Student Aid Index (SAI)

- EFC will be changed to SAI
  - “An index that reflects the evaluation of a student’s approximate financial resources” that can be contributed to their education rather than an amount the family is reasonably expected to contribute

Can be a negative number and as low as $-1500

- Individuals not required to file taxes, both dependent and independent students, will automatically receive a negative SAI of $-1500

The SAI:

- May contribute to a student’s Pell grant eligibility, but **it is not the sole factor**
- Will calculate eligibility for other FSA programs
- Will **no longer** be divided by the number enrolled in college
Pell Grant Calculation

● A student’s family size, financial information, and the federal poverty guidelines will be used

● Students are considered for a Pell Grant in this order:
  ○ Maximum Pell Grant
  ○ Calculated Pell (Max Pell minus SAI)
  ○ Minimum Pell Grant

● If a student does not receive a Pell Grant amount from the calculation, they will not be eligible for a Pell Grant
How do students determine their financial need?

Cost of Attendance (COA)*
- Student Aid Index (SAI)
- Other Financial Assistance (OFA)
= Financial Need

*Note: The COA may not be exceeded when packaging a negative SAI
Reporting Parental and Financial Information
Parental Information

- Who is a parent for purposes of financial aid has not changed
  - Adoptive parents
  - Biological parents
  - Step-parents if married to a biological or adoptive parent

- If both parents (biological or adoptive) are unmarried but living together, report information for both parents

- For parents who are divorced or separated, a student will report the parent who provides the most financial support within the last 12 months
  - If the financial support is equal, then report the parent with greater income or assets
NEW! Parent Wizard Tool

- Designed to help students determine which parent(s) to report on the FAFSA
- The tool will ask the student a series of questions to help them determine who to report

Tell Us About Your Parents

On the FAFSA® form, your “Parent” is your legal (biological or adoptive) parent or stepparent who supports you financially.

Are your parents married to each other?

- Yes
- No

You will need to provide information for your parents

Based on your answers in this section, you’ll need to provide information about both of your parents on your FAFSA form. You can invite your parents to your form so they can complete their required sections.
Reporting Tax Information

● Through the Direct Data Exchange, **everyone** will be required to provide consent for their tax information to be shared by the IRS with FSA, including non-tax filers
  - **Non-tax filers:** the IRS will report no tax return is on file
  - **Each parent must provide consent if:**
    • Filed married filing-separately
    • Unmarried but living together

● If no consent is provided:
  • A student’s SAI will not be calculated
  • A student will be ineligible for federal financial aid
Reporting Investment Information

Investment questions will not be asked for:

1. Those who make less than $60,000 a year
   - Parent(s) of dependent students/Independent students
2. Anyone in the household who has received means-tested federal benefit programs within the previous 24 months
3. A student with a negative SAI

If required to report investments:

- The net worth of any business and/or family farm
- Exclude the home in which the student/family live in
- Child support received for the most recent calendar year
Changes for Independent Students
Professional Judgment Policies

• There are two categories of professional judgment

  1. **Special Circumstances**: adjusting data elements in the Cost of Attendance or in the FAFSA that can impact the SAI calculation

  2. **Unusual Circumstances**: adjusting a student’s dependency status based on a unique situation

• Schools **can no longer** maintain a policy of denying all professional judgment requests

• Schools **are required** to have a list of adequate documentation that can be used for making the request
## What’s the difference?

- Designation for students who believe they may qualify as an independent student based on an unusual circumstance

- These students will:
  - Be able to submit the FAFSA
  - Receive an estimate SAI and Pell Grant

- A school’s financial aid office will make the final determination based on documentation submitted

- These students will not be required to answer to answer information about their parent(s)
Determinations for Unaccompanied and Homeless Youth

● The list of people who can provide a determination has been expanded

● The following sources are:
  ○ Homeless District Liaison
  ○ Financial aid office from a different school that for the same or prior award year

    ■ Transitional or emergency shelter
    ■ Street outreach program

What can higher education institutions now do?

- Schools can accept documentation of independent student status from another financial aid administrator at a different institution.
- Students who are deemed independent for financial aid purposes, can be considered independent for the subsequent award year(s) only if the student attended the same institution – the student no longer must submit documentation every year to meet the criteria.
Cost of Attendance (COA)

● ED now has the authority to regulate what is included in a school’s COA, *except* for tuition and fees:
  ○ Room & Board – Food & Housing
  ○ Books & Supplies – Books, Course Materials, & Equipment
  ○ Dependent Care
  ○ Study Abroad Expenses
  ○ Transportation expenses will include travel between home, school, and work
  ○ Federal Student Loan origination fees
  ○ Cost of professional licensing, certification or professional credentials

● Schools will be required to disclose all elements of COA on their website where information about tuition and fees are reported

Student Unable To Save or Submit FAFSA Form When Entering an A-Number That Ends In Zero

● **Description:** If a student selects the Eligible Noncitizen status on the 2024-25 FAFSA form and proceeds to enter an A-Number that ends in zero, the student receives an error message stating that the application failed to save. This message displays to the student on each subsequent page, regardless of the data the student enters in the form. As a result of the application not saving, the student is unable to proceed beyond the “Selected Colleges and Career Schools” page to the “Review” page.

● **Workaround:** None
FSA Call Center

- The call center is completely overwhelmed resulting in long waits and the system dropping calls. If it is a complicated ID issue-ask for a Tier 2 FSA ID Specialist. You can also try the chat on studentaid.gov to request FSA ID case numbers.
  - Ensure these are manual verification case numbers (MANVER)
